The BIG Vision

NANDC will have consistent outreach and engagement at Community and Government meetings and events.

The BIG Goals

1. More Stakeholders than Board members at regular Board meetings
2. Participate in as many Community and Government events as deemed necessary
3. Create, nurture, and continue reciprocal relationships with community partners (especially through NPGs)
4. Distribute more information about NANDC to the Community
5. Reach out to previous recipients of NPGs and Board recommendation letters for involvement and support of NANDC
6. Establish NANDC-City Department liaisons to further attendance and engagement and Government meetings and events

The BIG Solutions

1. Pulse check on Vision and Goals at regular Board meetings
2. Educate the NANDC Board on City/Government operations
3. Streamline NANDC website and make it more informative and resourceful to the community
4. Develop database of/and outreach to neighborhood association and block clubs

5. Participate in local Community and Government meetings and events
6. Create partnerships with previous and future NPG recipients
