Re: Interstate I-110 HOT Flyover to Figueroa Way  
Draft MND and IS/EA  
EA: 07-27800/EFIS# 0700000537

Dear Mr. Damrath,

At a meeting of the North Area Neighborhood Development Council (NANDC) general board held on Thursday, March 3, 2016, the board adopted, by a vote of 8 yes 0 no 0 abstention, the following resolution against the 110 flyover project:

“Because of its impacts to historic structures, the visual blight it introduces, how it runs counter to current City policy of promoting pedestrian and bike-friendly streets, and because it would disrupt the services and environment of the churches in the area, we support the “no-build” alternative in the 110 flyover project and support a full Environmental Impact Report above and beyond the Mitigated Negative Declaration finding.”

Thank you for considering our objections to this project in your decision-making process.

Sincerely,

*North Area Neighborhood Development Council (NANDC) Board*
